Sussex Christian School

Sussex Christian School (SCS) is a nonprofit inter-denominational elementary and junior high school that offers a strong academic program in a Christian environment for families residing in Northern New Jersey as well as New York and Pennsylvania.

The mission of SCS is to prepare young people to live fully for God in a rapidly changing world through an education that enables them to understand, evaluate and transform their world from the foundation of God's unchanging Word.

Our goal for the 6th Annual Golf Outing is to raise \$15,000 in order to reduce the outstanding debt incurred during the construction of the gymnasium.

We believe strongly in the future of this generation and invite you to be our partner in building an environment that enhances their spiritual, academic and scholastic growth.

*Thank you in advance and
May God richly bless you!*
