MERRY CHRISTMAS SCS FAMILIES AND FRIENDS!

"Glory to God in the highest, and on earth peace among those with whom he is pleased!"
Thank you all for your continued grace, abounding love, and generous support during this first half of the school year! We praise our God for the blessings of this Fall and the great times we have shared this holiday season as well as the ability to learn and grow together this school year. I ask that you continue to daily pray for your teachers, classmates, and our school as we rest and prepare for the coming new year. We have so many great things happening here and can only give God the Glory! On behalf of the Staff and the Board, I want to wish you all a Merry Christmas, a happy and healthy New Year. We pray for God's blessings and mercies on your families in 2023!

LIBRARY HELP NEEDED

The schedule for library volunteers has many, many openings. If you can spare a couple hours even just once, we would appreciate your help. Hours are Tuesdays from 1 pm to 3:15 pm. Please use the link below to see where you may be able to lend a hand. We will not be able to continue library time for the lower grades if we do not have enough volunteers to help each week.

2023-2024 CLOSED ENROLLMENT PERIOD FOR PRESCHOOL AND KINDERGARTEN

This year was a banner year for the school with so many new families joining the school, especially at the lower levels. We had a waiting list for both of our Preschool 4 classrooms and ended August with a full Kindergarten, 1st grade, and 2nd grade as well. Praise the Lord! We are already expecting to open a second Kindergarten classroom next year!

With the number of inquiries already pouring into the SCS office for the 2023-2024 school year, we will be offering a Closed Enrollment period for our current SCS families. Enrollment for Preschool through Kindergarten will be available exclusively to current SCS families from January 2 through January 20, 2023. Registration forms for families are being sent home with your youngest child today. Please return this form as soon as possible to guarantee your child's seat. This will be first come, first served, as our class size maximums for Preschool and Kindergarten are set by the state.

On January 23, new families who have completed the admissions process and are already on the Waiting List will be given the remaining available seats. Any new or returning families after this deadline will be given the remaining seats until classes are filled. Once classes are filled, late registrants will be put on the Waiting List until a seat becomes available or a new class is added to accommodate the growing population. Registered families will, as always, have a two-week grace period after the publication of the next year's tuition rates to withdraw.

If you do not register your preschooler or kindergartener by January 20, 2023, for the 2023-2024 academic school year, we cannot guarantee your child a seat in these classes even if you have other children attending the school. Please contact Mr. Waters with any questions regarding this enrollment period.
